

FIREHOUSE

PUB & GRILL

Thank you for joining us at the "Firehouse"!

Kurtis, Mi Kyong and "The Boys" along with the staff would like to welcome you to our home away from home.

In March of 2009, we set out to make the "Firehouse" a community hangout. A place where families, friends, co-workers and complete strangers could get together to watch a game, enjoy a cold beverage and have a good meal all at the same time. We want the "Firehouse" to literally be your home away from home.

Our goals were to provide a laid-back atmosphere, great beer selection, quality food and friendly service. In August of 2010, we added a full-bar to our menu; while continuing to provide a family-friendly place to relax.

If we are falling short on any of these goals, please feel free to let us know. If there is a game you want to watch, feel free to ask (we may not be able to, but we will try). If there is a beer you would like to try, we will provide a sample or two.

Wings

Firehouse Wings are said by many to be "The Best Wings in the Treasure Valley!" Our wings are tender, crispy, meaty and juicy. Every sauce is worth trying once, but most get stuck on a favorite. Whether you like 'em blow your mind hot or candy sweet, we have your wings. If you want to try one of our sauces, but aren't interested in traditional bone-in wings; try the Firehouse Nuggets on the Appetizers menu. The nuggets are tender, crisp pieces of whole chicken breast and are a good alternative to the real deal.
